The flacon Marjolaine echoes the soft curves, evoking the sensuality of the feminine silhouette and as the thick glass, pledge of uncompromising passion of JEAN COUTURIER for quality...

The soft colors come dressed this bottle to highlight the depths of the juice and to symbolize this warmth and opulence fruity perfume.

Recalling the mythical **Coriandre** and wild nature of the Couturier woman by her golden ring, the cap is enhanced with a soft and bright green.
